Action Information		
<p>Description: While making follow up calls I received a call from Terry Hasenauer with CG Sector (252-241-8096) who is onscene. PRP is responding with inadequate PPE and resources. Discussed spill with Jodi Powell (Powell Brothers 252-241-5821) who owns the dry dock and is responding, emphasized need for additional resources and PPE which is will now be implemented. Also contacted Thomas Ryan (Conti Group 732-439-1120) who owns the boat and emphasized that company should take action to ensure response is conducted. Thomas Ryan has confirmed he will provide resources and assets and will make sure Conti or Powell Brothers hires a vac truck. Later follow up call with Terry confirmed boat owner has also hired environmental contractor.</p>
